# PARISH ORGANIZATIONS . . .

For over 75 years our parish has been privileged with spiritual, social, athletic, choral and civic groups and organizations. Today many new committees and service organizations have been formed. As time passes we remember our past predecessors and our present members for all the time and work they contribute to our parish. They continue to renew in every passing day. Rebuilding in keeping our parish strong, and above all, they continue in love daily. Pictured on the following pages are the present leaders of clubs and organizations that contribute so much to parish life at Immaculate Conception.

## St. Vincent DePaul Society

In 1964 Monsignor Mozeris called for the formation of this society to visit and help the sick, poor and needy of our parish. Since its start with a few dedicated men, it has grown to what we have today, and continues to grow as other men and women join. The work performed by this group of volunteers is a true example of Christian Charity. The members give of their time and in many cases personal financial help.
